

# SuperEasy puts more money into your back pocket.

Presentation by David Lloyd, Brand Ambassador  
September 2025

## DAVID LLOYD

BRAND AMBASSADOR

I grew up on a farm in northwest Auckland, but I began my career in a council-controlled organisation at the Queenstown Events Centre.

I 'married into' the veterinary industry, but after many years managing national animal health and welfare organisations, I jumped at the chance to work with Civic because:

- We are a 'for-purpose' organisation,
- We are dedicated to improving the lives of our members,
- My previous experiences with council staff underscored the important work council workers do around the country.

My role is to work with staff throughout the council to ensure they are aware of the exclusive benefits of the SuperEasy KiwiSaver and Superannuation schemes.

As you may know, or are about to find out(!), our schemes are built especially for you and are owned by New Zealand's councils. So, our mission is to support council staff and their whānau.

I live in Wellington with my veterinarian wife and two teenage kids. Outside of work, you'll find me at the gym, in the ocean, on a plane, or spending time with the whānau around a table.

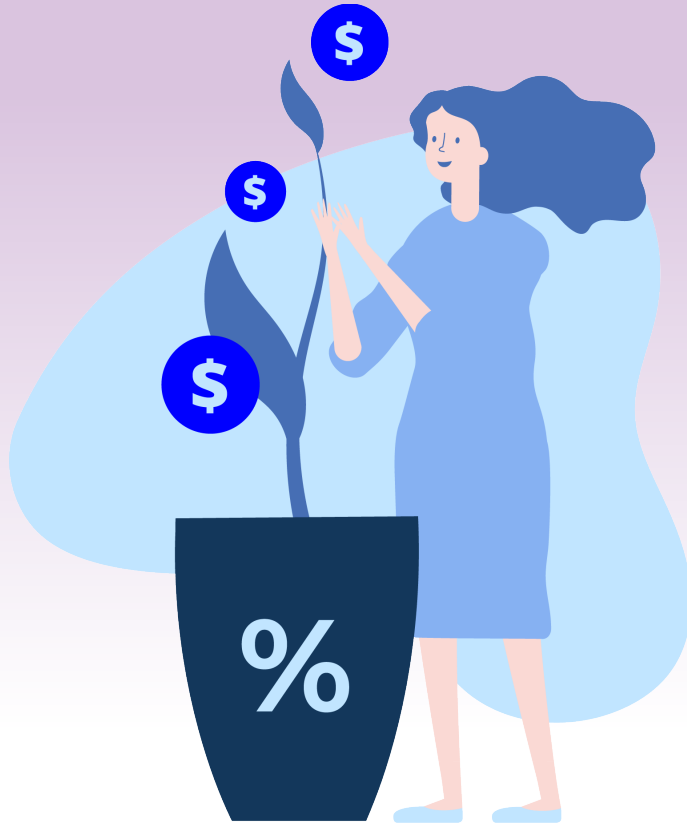

In the meantime, I'm here to help you with any questions you might have about our SuperEasy schemes. My number is 021 049 6759

## Who is Civic Financial Services Ltd?

- Moved from insurance provider to providing administration services
- Administers superannuation services for local government staff and their whānau via the
  1. **SuperEasy KiwiSaver Superannuation Scheme &**
  2. **SuperEasy Local Government Superannuation Scheme**
- Provides administration services to Local Authority Protection Programme, Riskpool and Civic Liability Pool
- SuperEasy KiwiSaver Superannuation Scheme is a preferred provider for 71 out of New Zealand's 78 councils
- In September 2025, we have 11,300 members for both schemes
- At August 2025, over \$664 million in funds under management

*“The best time to plant a tree was 20 years ago, the second best time is now”*

It's never too late to think about your savings and retirement plans. Don't worry about what you could have or should have done – you are here now!!

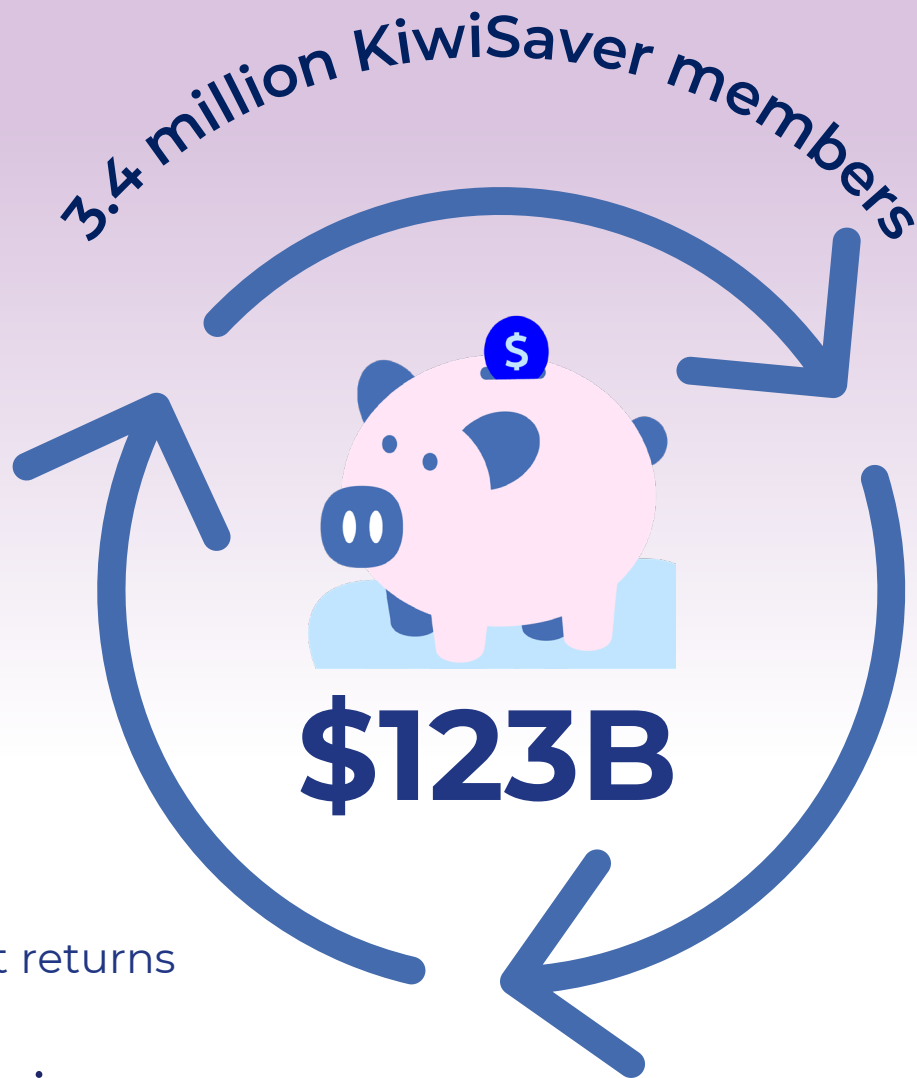

## \$12.2 billion Contributions

- \$7.8 Billion by Kiwis
- \$3.4 billion by Employers
- \$1 billion by The Crown

## Incoming Funds

- \$6.4 billion net investment returns

- Average balance of \$36,343 per member
- 38 schemes as of 31 March 2025

## \$5.9 Billion withdrawals

- \$1.8 billion used for first-home buyers
- \$3 billion withdrawn by over 65's
- \$1.1 billion for others, like hardship, fees

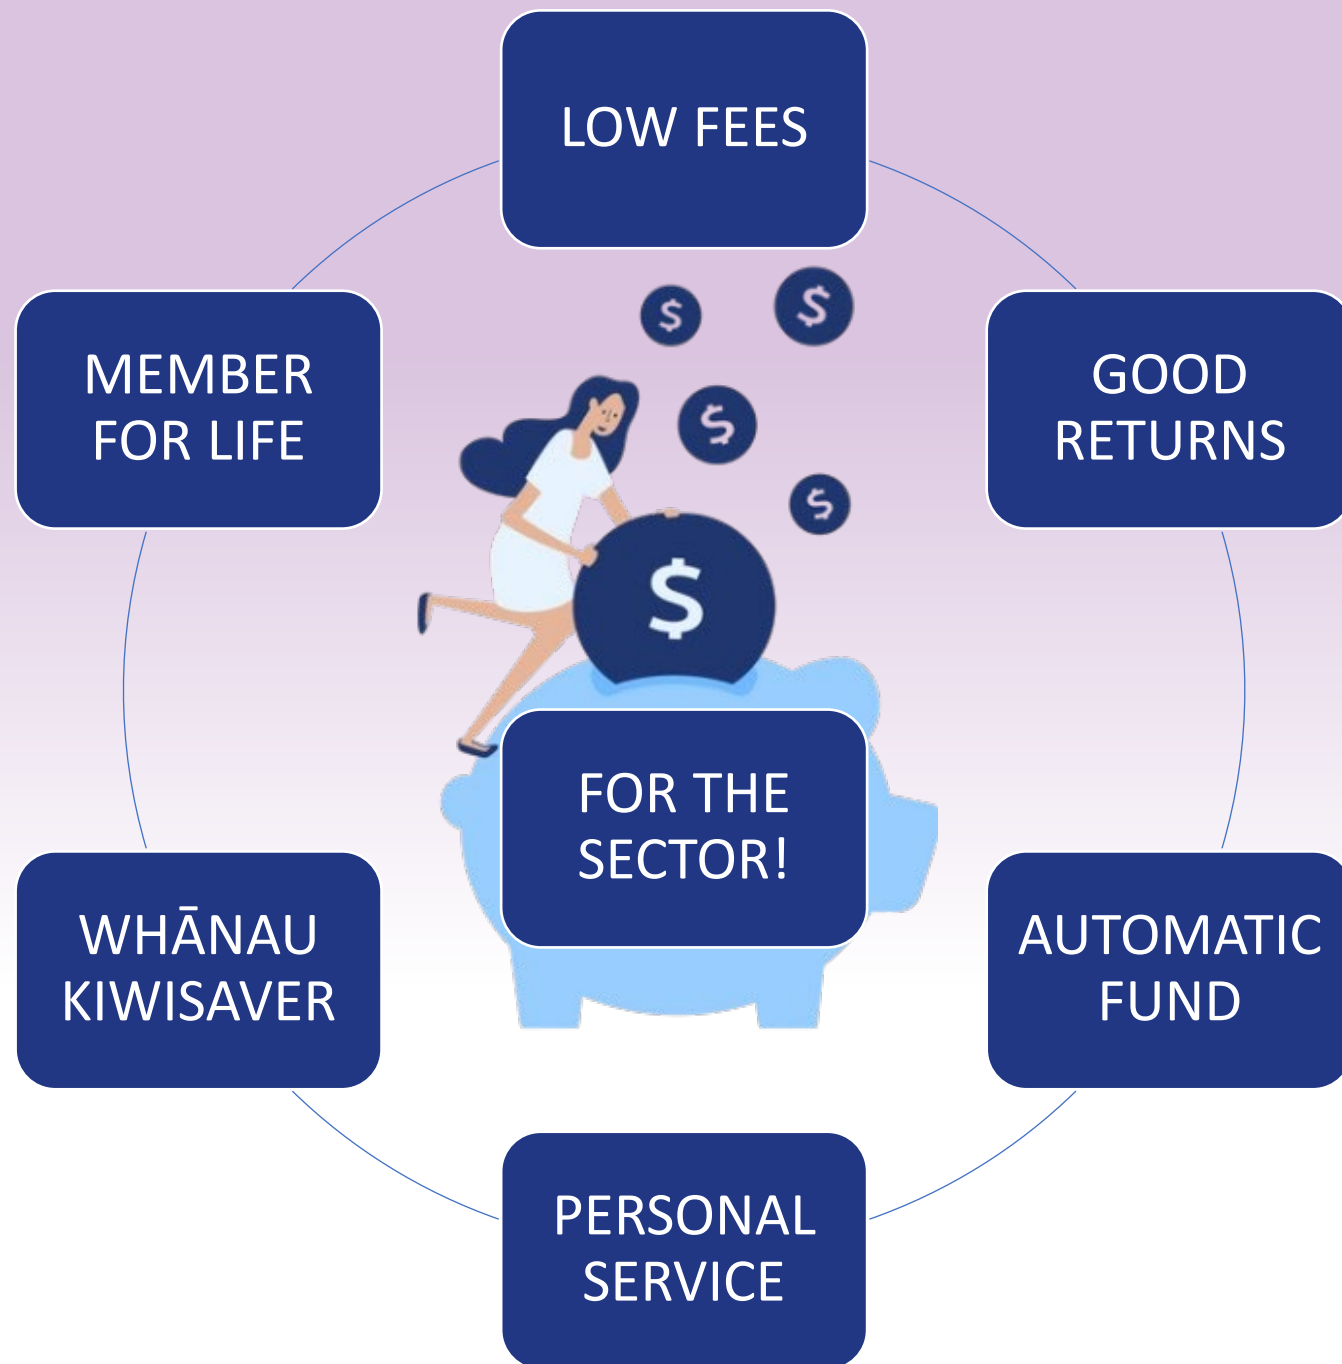

## Our overarching superannuation goal

*Putting more money back into your pocket.*

...by putting people first and providing members with long-term financial wellbeing.

## How the Schemes work together

### Typical KiwiSaver

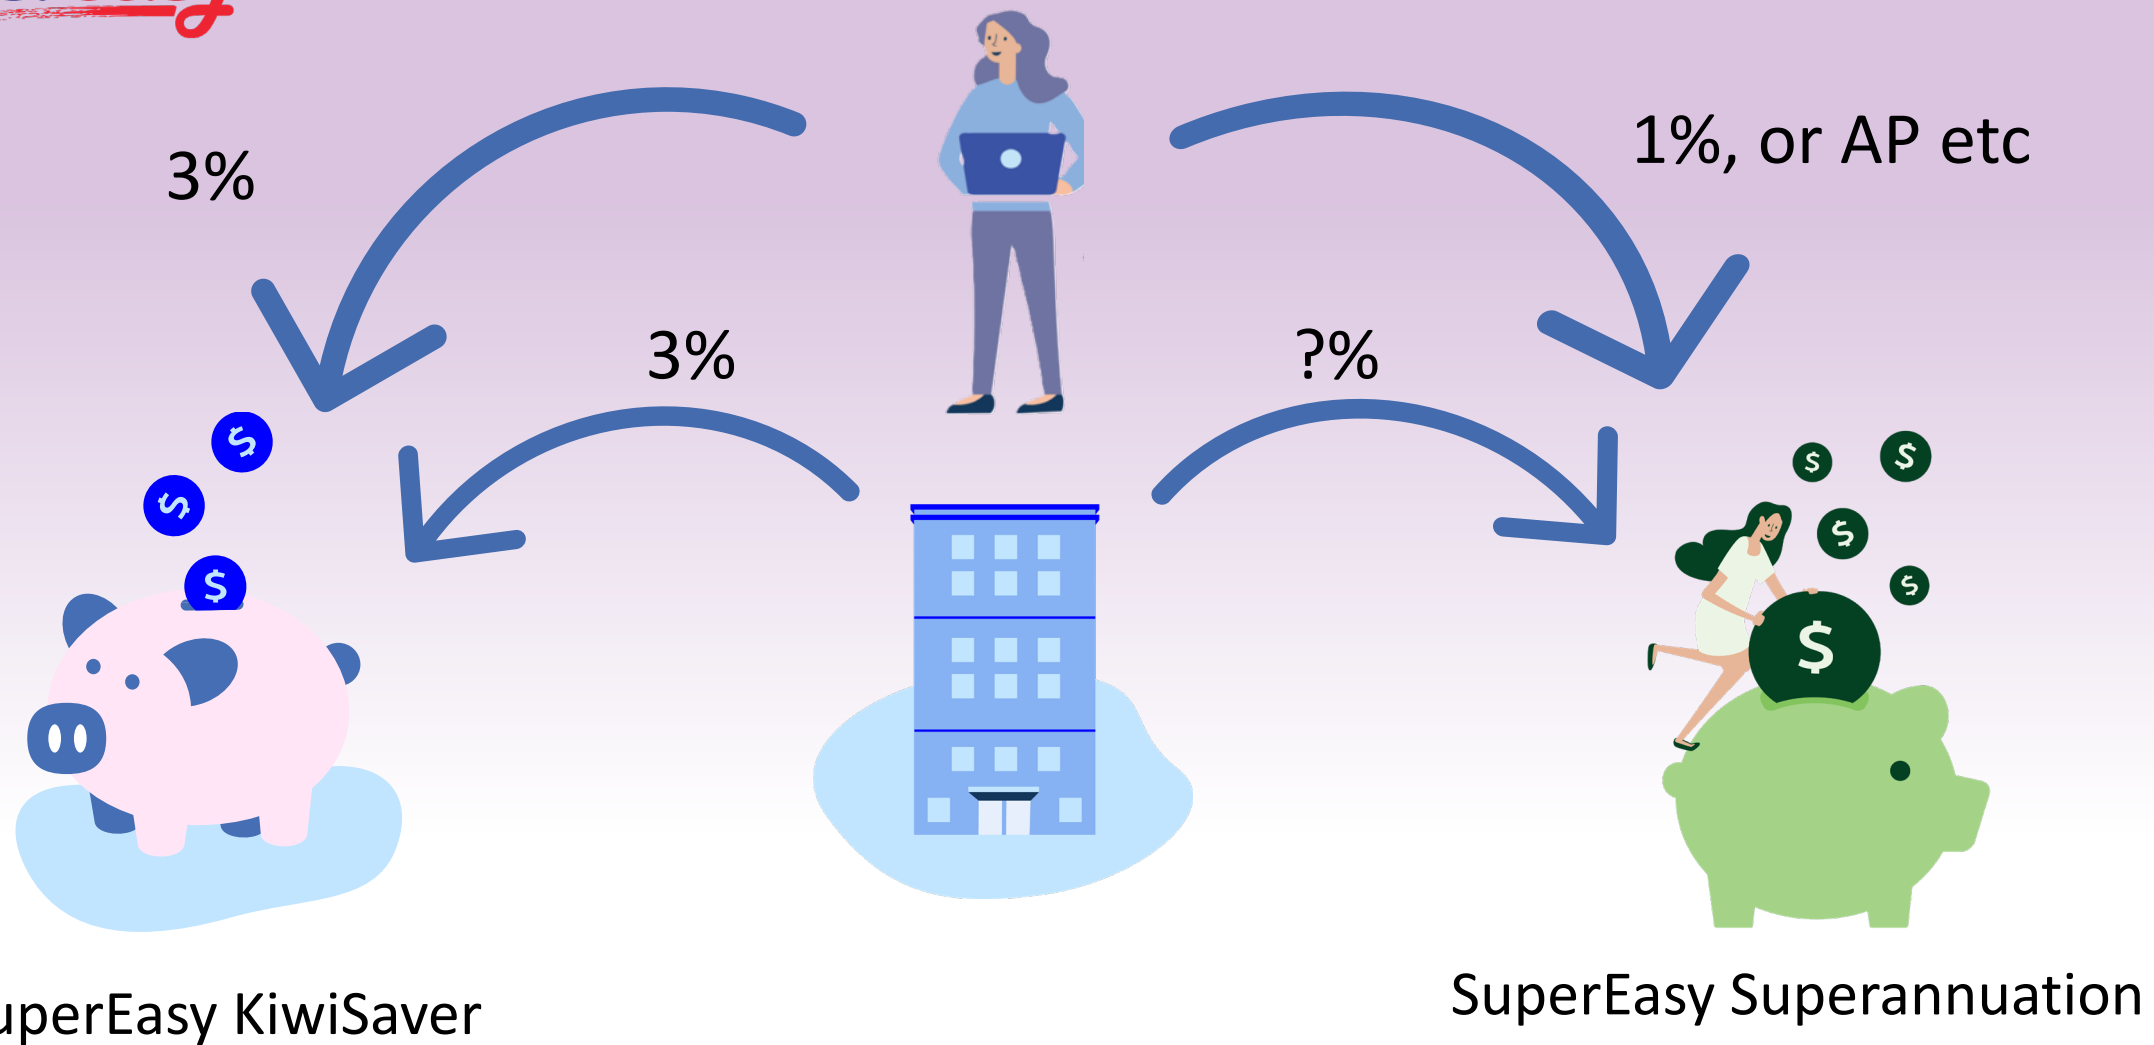

OR

### Enhanced Savings KiwiSaver

## How the Schemes work together

## Why use the Local Government Superannuation Scheme?

- KiwiSaver is hard to access
- You can contribute whichever way suits –
  - Percentage of pay
  - Regular \$ per pay
  - Automatic payment
  - Lump sums
- Same fund management at SuperEasy Kiwisaver
- Automatic Fund is an option
- If you leave the council, you can withdraw these funds
- If you transfer to another council, you can ringfence and start again
- You can withdraw your ringfenced funds at any time

Note:

The council you work for must be a SuperEasy participating employer.

# Investment returns for SuperEasy with rankings

Quarter ending 30 June 2025 (after fees and before taxes).

The following table shows the performance of the Schemes' funds to 30 June 2025. The peer group used are the KiwiSaver funds from the MJW Investment Survey, which can be found online at <https://mjw.co.nz/InvSurvey-Jun25>.

Returns are after fees and before tax. Members' actual returns will be lower depending on their tax rate. Please note that the Schemes' returns have been estimated based on current cost levels. These may differ from the historical returns actually achieved.

Please treat this and other similar analyses with care. Past performance is not a good indicator of future performance. We encourage you to seek appropriate financial advice before making any decisions with respect to your savings.

Funds here have been grouped by how much of the more risky investments they hold, like shares and property ("growth assets"). Choosing the right type of fund for you is a way to dial your risk up or down. If you need to decide, for managed funds [try this](#). For KiwiSaver funds, [this will help](#). Note: some fund managers vary their investment mix depending on market conditions, so occasionally this causes a fund to temporarily change categories (e.g. balanced to conservative).
